RWAV's Victorian Rural Health Workforce Census

SOCIAL MEDIA KIT

Post 1 - for Facebook and LinkedIn

Help us identify where we need more health professionals in rural Victoria. Have your say.

The 2023 Victorian RHW Census captures your input relating to patient and health workforce needs. @RWAV is seeking the valued feedback of all Victorian-based rural health professionals to share their insights.

Your contribution will be used for rural health workforce decision-making and informing RWAV on how to better target priority locations/areas of workforce shortages with grants, programs and initiatives to support rural and remote communities in Victoria.

The RHW Census for healthcare professionals will be launched on 1st September. Have your say today.

Post 2 - for Facebook and LinkedIn

Tell us about your needs as a Victorian Rural Health Professional?

Take part in the 2023 Rural Health Workforce (RHW) Census and make a difference.

Your 2023 RHW Census feedback is vital in developing the Victorian Rural Health Workforce Needs Assessment. @RWAV will use this data to inform decision-making to provide grants, programs, and initiatives for rural health workforce development and support.

This is an opportunity for individual healthcare professionals to fill out their personal census and tell their stories!

Interested in taking part in the 2023 RHW Census this September? Don't forget to have your say at <https://www.rwav.com.au/rhwcensus/>
