Patient Story

Short description on lifestyle limitations and why the surgery is needed:

Questions:

1. What hobbies or activities do you enjoy? How did your vision/ear problems affect these activities? Prompting – Adult independence, looking after grandchildren, art craft, driving
2. Can you share when you first noticed problems with your eyesight/ hearing and how it impacted your daily life?
3. What challenges did you face before the surgery—were there specific things you couldn't do anymore? E.eg driving – what is public transport like in the town? Is it walkable
4. How long had you been waiting for your surgery, and were you aware of the expected wait times?
