RWAV's Victorian Rural Health Workforce Census

SOCIAL MEDIA KIT

Post 1 - for Facebook and LinkedIn

Participate in the 2025 Victorian Rural Health Workforce (RHW) Census. Your insights matter. Help us build a stronger health workforce.

The 2025 Victorian Rural Health Workforce (RHW) Census is conducted by the Rural Workforce Agency Victoria (RWAV). It is a vital opportunity for health workforce professionals to shape the future of healthcare in rural and Aboriginal and Torres Strait Islander communities across Victoria.

Why Participate?

Understand the Workforce Landscape: Help us gain insights into the current health workforce across rural and regional Victoria.

Identify Key Priorities: Pinpoint where workforce planning, investment, and support are most needed.

Improve Rural Healthcare Services: Contribute to enhancing healthcare delivery in rural and regional communities.

Address Workforce Challenges: Highlight issues related to recruitment and retention of healthcare professionals

Share your valuable insights and be a part of this transformative effort to drive healthcare equity in Victoria. <https://bit.ly/4nWjgOd>

Post 2 - for Facebook and LinkedIn

Together, we can improve healthcare, starting with your feedback.

This is your opportunity to shape the future of healthcare in your local area. Join the 10-minute 2025 Rural Health Workforce (RHW) Census and...

- Make an Impact
- Improve Rural Healthcare Services
- Identify Key Priorities
- Drive change
- Support your community
- Address Workforce Challenges

Your feedback in the 2025 RHW Census is invaluable for shaping the future of rural healthcare in Victoria. By participating, you contribute to the RWAV Victorian Rural Health Workforce Needs Assessment, which is submitted to government and guides decision-making and resource allocation to areas with the greatest need.

Healthcare professionals, this is your chance to share your stories and influence positive change. Don't miss out! Participate in the 2025 Victorian RHW Census: <https://bit.ly/4nWjgOd>
