GP ANAESTHETICS WORKSHOP
Refresher Training

8-9 July, 2016
St. Vincent’s Education Centre
Level 3, Healy Wing
41 Victoria Parade, Fitzroy, VIC 3065

The GP Anaesthetics Training program is an initiative of RWAV (Rural Workforce Agency, Victoria) to meet the specific needs of the rural GP Anaesthetists.

This 2 day course is designed to instruct on advanced airway skills, adult advanced life support skills, intravascular access techniques and the management of anaesthetic crises incorporating both skill stations and high fidelity simulation.

- Program limited to 12 participants per course
- Program runs over 2 days (16 hours) commencing at 8.30am on the Friday and concluding at 5pm on the Saturday
- Morning tea, lunch and afternoon tea provided
- The GP Anaesthetics Training program is accredited by the RACGP for QI&CPD Category 1 points and ACRRM PDP points
