GRANT PURPOSE

Rural Workforce Agency Victoria (RWAV) is a not-for-profit government-funded organisation improving healthcare for rural, regional and Aboriginal communities in Victoria.

Studies show that individuals who have experience living in rural and regional locations are often representative of the individuals who remain or return to these locations to pursue their professional careers. To address the health professional shortage in rural and regional Victoria RWAV is seeking to encourage high school students in year 11 or 12 who are living in Victorian rural and regional priority areas as indicated by the RWAV 2020 Needs Assessment (see Priority Areas Matrix for eligible locations), interested in studying medicine the opportunity to participate in preparation classes for the University Clinical Aptitude Test (UCAT).

In partnership with MedEntry, RWAV are offering grants that will cover the two-day UCAT preparation workshops that will run as interactive, livestream, online events in 2021. Successful applicants will also have access to MedEntry's online resources well in advance of the workshop.
